## Wedding Photography

**Half day Package: from £875, depending on your choice of album \***

This includes:

- My services for four hours of photography and attendance on the day, as required. This may start by attending the bride during her final preparations and will continue until the guests are seated for the wedding breakfast, after photographing the cake cutting.

- A minimum of 350 images will be taken on the day
- A maximum of 200 will be presented as 6 x4 images in a preview album as the record of the day for the bride to keep
- A slide show on CD to assist in the final choice of enlargements.
- An Album on Line service is also now available to allow the bride and groom to see the pictures sooner and also enables the guests purchase their enlargements on line, making life easier for everyone!

- The fabulous leather Circa album is the final album. Your album will be prepared for you when you are ready to select which 40 enlargements you wish to have in your album. There are extra pages in the album if you feel need more prints. Prints are 10"x7". The size of enlargements may differ slightly depending on your selection of final images
- In addition to your album choices extra enlargements orders will be welcomed from friends and family either via Your Album On Line which may be accessed via my website or if preferred by directly contacting me
- The prints will have a matt finish unless otherwise requested.
- Smaller albums are available for the Bride's and Groom's parents on request at a cost of £125 including 20 7"x5" prints
- \* A similar package is available without an album for £695

## \* **Luxury Package: £1145** **introducing the Royale Album.**

I felt my bride and groom deserved the opportunity to display those fabulous final choices more grandly!

**This is what the luxury package is about!**

In addition to all the above services you now have more in the selection of your album

**It is a bigger book bound album enabling more enlargements to be included and gives greater flexibility of layout. No need to think just in rectangles on pages any more!**

It helps to makes the final selection easier for the bride and groom and displays the photographs to the greatest possible advantage!

**Each album is individually ordered and comes in a choice of colours. The end product can be as individual as the customer.**

**The Album is beautiful. Do ask to see it!**
